TRUE LUXURY ENDURES

Nippon Paint's Ultra Premium Collection is the harmony between art and science, where every formulation is crafted not only to protect, but to serve.

Each finish is a testament to quiet craftsmanship, delivering surfaces that stand unyielding against time while elevating the spaces they adorn, helping you **create your most beautiful home**.

This is more than paint. It is the meeting of innovation and elegance, designed for those who see beauty not as a statement, but as a way of living.

"The Ultra-Premium Series marks an important milestone in our product innovation journey. It reflects our dedication to advance coating technologies that deliver long-term performance, reliability, and value for today's homes."

Yaw Seng Heng
Group Managing Director
Nippon Paint (Malaysia) Sdn Bhd

The Art of Endurance

WEATHERBOND® ULTIMATE ANTI-DIRT

WEATHERBOND® ULTIMATE ANTI-DIRT

Enduring beauty that stands the test of time

Built with **Quartz Technology** and **5X POWER Anti-Dirt** formulation, **Weatherbond® Ultimate Anti-Dirt** forms a resilient wall that stays pristine through every season. Each rainfall renews its brilliance, proof that true luxury is maintenance-free longevity.

Quartz Technology

Formulated with microcrystalline quartz minerals that deliver the strongest, toughest, and hardest paint for your exterior walls.

Fibra Technology

Reinforced with microfibres for maximum durability of the paint film.

Keep Clean Technology

Excellent dirt, alkaline and efflorescence resistance.

Micro Block Technology

Excellent fungus and algae resistance.

Sunblock Technology

Reduces surface temperature.

Colour Care Technology
Ensures longer-lasting colours.

15 Years' Protection

Weatherbond® Ultimate Anti-Dirt is crafted for homes that stay beautiful year after year. Powered by Quartz Technology with **5X POWER Anti-Dirt Formulation**, it offers superior dirt resistance, UV protection, and long-lasting colour brilliance even under harsh weather.

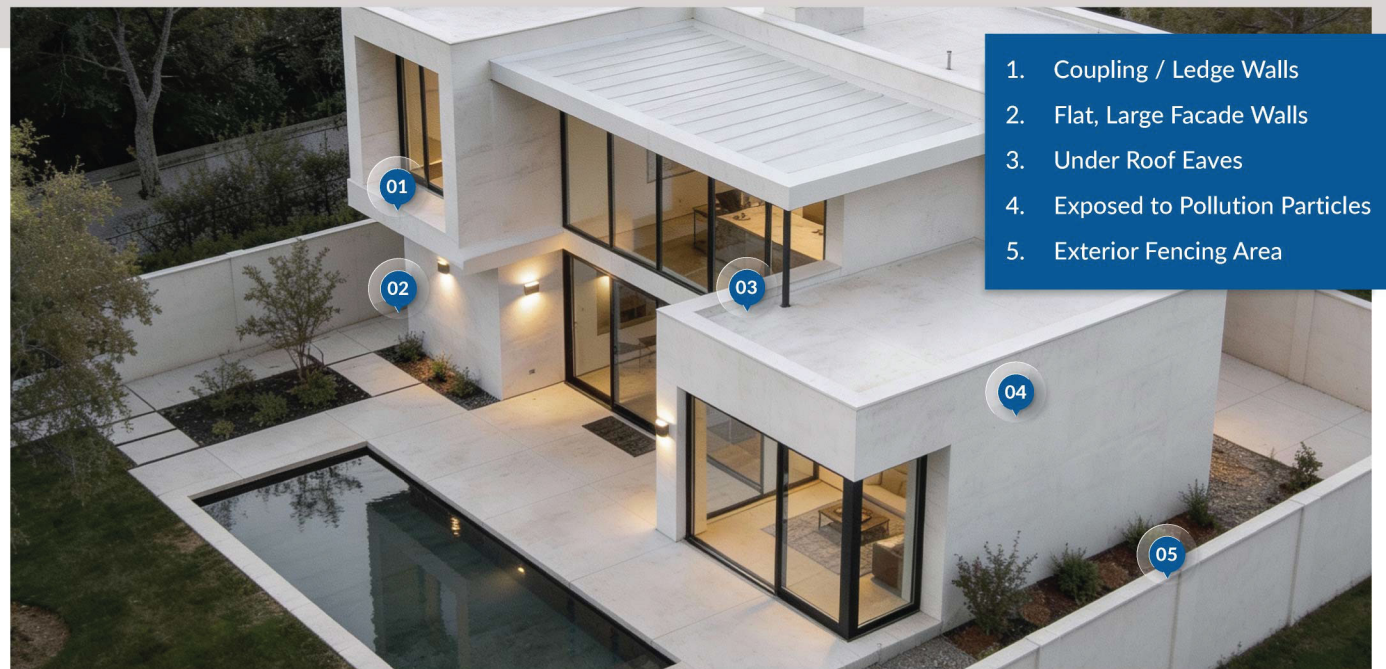

- ✓ ASTM D3719 on Dirt Pick-Up Resistance by Natural Weathering
- ✓ ASTM G154 on QUV-A Colour Retention Resistance
- ✓ ASTM G155 on Xenon Arc Accelerated Weathering
- ✓ ASTM D2486 on Wet Scrub Resistance

WEATHERBOND® ULTIMATE ANTI-DIRT Where Advanced Science Meets Modern Living

Key Areas Prone to Dirt Streak Marks!

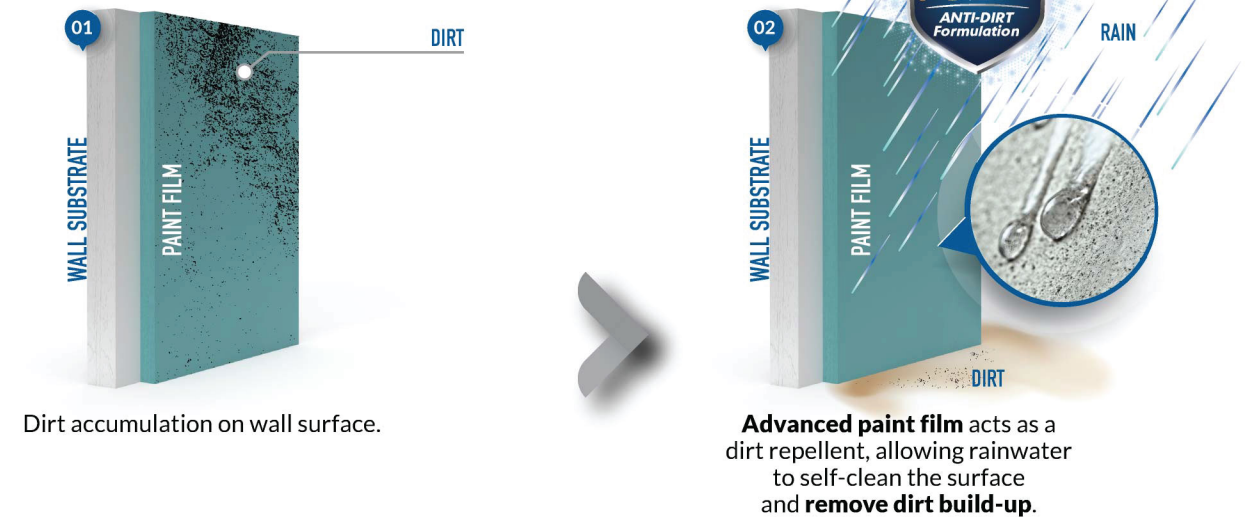

Keep Clean Technology

Powered by **5X POWER Anti-Dirt formulation**, Keep Clean Technology creates a self-cleaning surface that helps minimise dirt streak marks and efflorescence. Rainwater activates the dirt-repellent effect, keeping exterior walls cleaner while advanced UV-resistant cross-linked latex forms a denser, more durable paint film for long-lasting protection.

Self Clean for Cleaner Walls

How it Self Clean?

Advanced film structure repels dirt and allows rainwater to clean your walls naturally thus ensuring lasting beauty with minimal maintenance.

No More Dirt Streak Mark!

Dirt Streak Resistance Under Accelerated Extreme Weathering*

Remain remarkably clean after 6 months of accelerated extreme weathering exposure.

Dirt Pick-Up Resistance Under Accelerated Extreme Weathering*

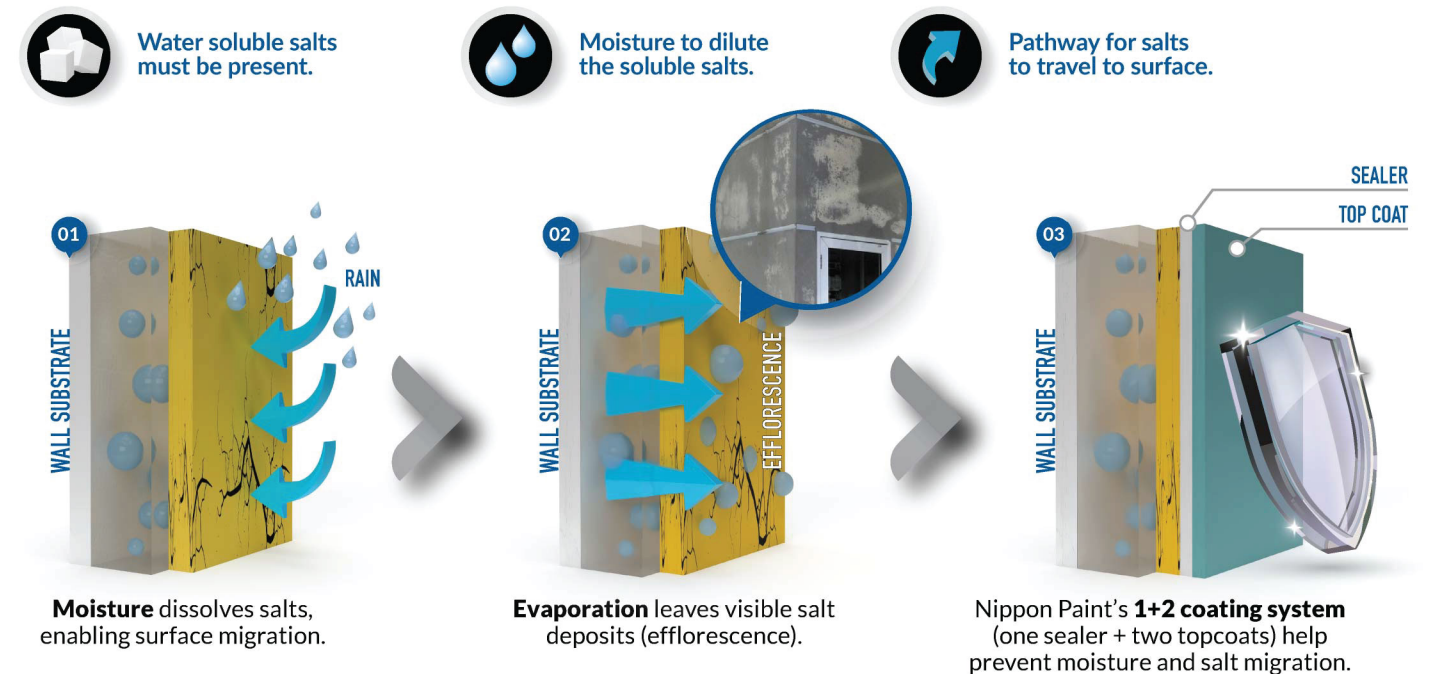

Demonstrates long-lasting purity and durability after 6 month of accelerated exposure.

Efflorescence Protection

Understanding and Prevention

There are 3 MAIN CONDITIONS that causes efflorescence.

WEATHERBOND® ULTIMATE ANTI-DIRT Advanced Protection for Exterior Space Living

Elevate your exterior with a blend of bold darker tones and a gentle touch of lighter tones to achieve flawless unity.

Colour Care Technology

Best in Class performance in colour fading & chalk resistance test under QUV 4000 hours. It maintains colour brilliance and smooth surface under extreme UV and moisture.

SHEEN

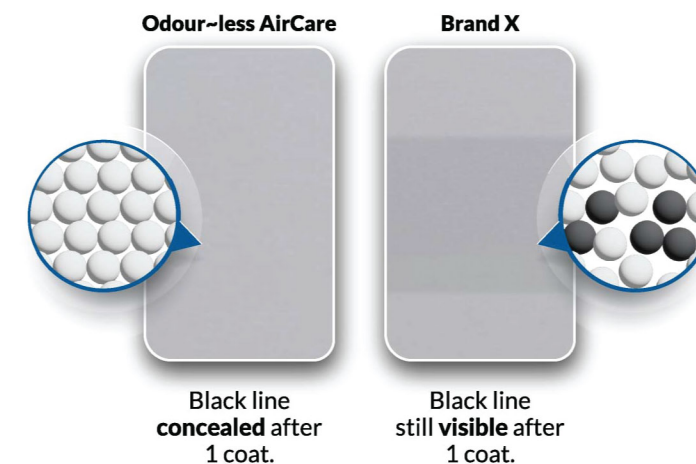

Designed for Everyday Living

INTERIOR

Hi-Build Technology

Creates a smooth, silky film that conceals surface imperfections with ease, delivering a flawless, refined finish in fewer coats. Walls appear naturally seamless, elevating even the simplest space into quiet luxury.

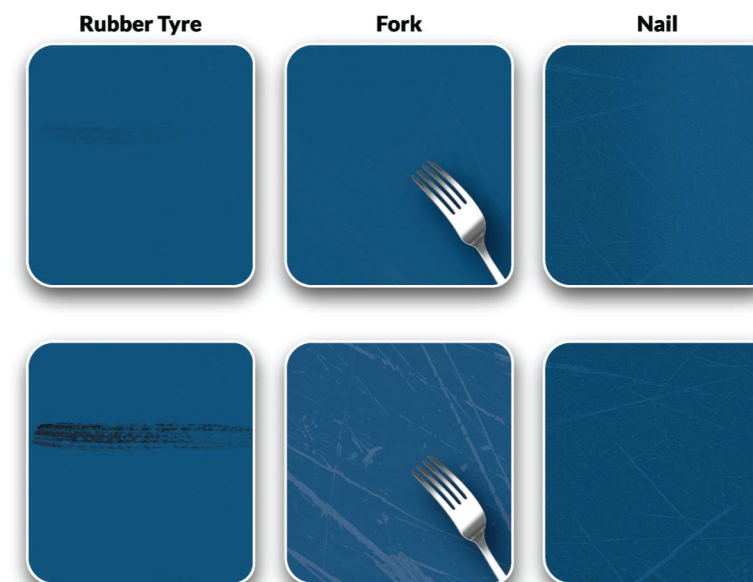

MarX-Defence Technology^

Daily living subjects your walls to different forms of contact from subtle surface rubs to accidental abrasions. MarX-Defence Technology allows scuff and scratch marks to be easily wiped away while resisting visible burnish. Walls stay consistently pristine, maintaining the quiet luxury of a well-kept home.

Odour~less AirCare

Effectively resist scratches and scuffs while minimising visible burnish.

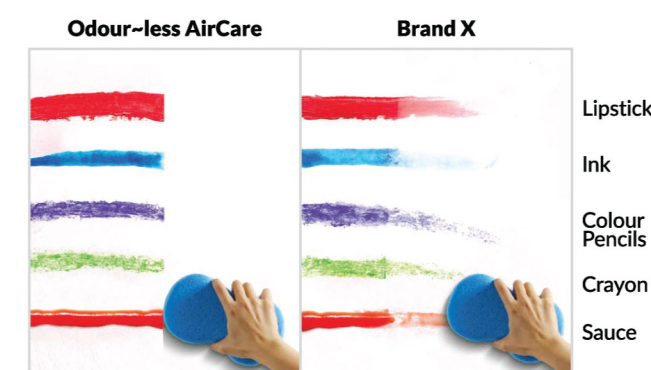

Brand X

Noticeable scuff and scratch marks remain visible, even after cleaning.

Anti-Stain Technology**

A highly durable, washable finish tested beyond 10,000 scrubbing cycles, ensuring lasting purity with every wipe. Stains lift effortlessly, allowing your walls to remain immaculate and serene with minimal upkeep.

Stationary & household stains such as crayons, colour pencils, sauces, etc. are easily removed.

Application Guide : The Foundation of Perfection

Transform your home with our **BEST IN CLASS** paints, featuring a rich colour palette and exceptional durability when used with our premium sealers and top-tier rollers.
